FOREWORD

As you read your 1959 ON-

help you recall the many pleasant
memories that can never be for-
gotten.

We have kept this thought in
mind as we tried to capture the
many important events that make
up your grade and high school life.

DEDICATION

We, the students of the Tabernacle Grade and High School, are honored to dedicate the "ONWARD" to Eugene Collins, director of the band and choral.

Because of your consecrated investment of time, patience, and effort we have a band, and choral of which our school is justly proud.

We sincerely thank you, and may God richly bless you in His work.

WORDS FROM THE PRESIDENT

Under the Providence of the wise and beneficent Almighty God, the Tabernacle Schools have concluded their fourth and eminently successful year.

The Tabernacle Grade and High Schools were born due to the abject poverty of the moral and spiritual training in American Public Schools.

Apostolic Christianity is a true dedication to truth. The oldest and most renowned Colleges and Universities of the Western World are her Children. Christian institutions develop both mind and soul. Learning without Character is dangerous.

Each year the management of our school strives to provide better equipment, and more efficient Christian education for its students.

I extend my most sincere congratulations to the graduates of 1959, with a prayer that they shall become useful American citizens, and profitable witnesses in Christ's Kingdom.

A friend of Jesus,
Cecil J. Lowry, Ph. D., D. D.

PRINCIPAL'S MESSAGE

I wish to take this opportunity to express my appreciation to the faculty, and student body of the Tabernacle Grade and High School for their co-operation, and understanding.

This year has been full of challenges, and you have all lived up to the highest expectations.

May you, who are to graduate, take with you the memory of happy fellowship, and be ever guided by the high ideals Christian education has instilled in you.

To all I wish the very best that life has to offer, and I pray our Master may guide all of us in the years to come.

Sincerely,

Joyce Rangel, B. A., M. R. E.
